Subject: Notice of Potential File Closure, Interpace Holdings LLC, Fox Clay, S/049/0077, Utah County, Utah

Dear Mr. Rhine:

The Notice of Intention to Commence Small Mining Operations for the Fox Clay mine was approved on June 17, 2010. The Division inspected the site on May 14, 2013 (see attached report). No mining has been initiated at this site, and the permit fee was not paid for 2013.

Please contact the Division by July 3, 2013 to inform us of whether or not Interpace plans to mine this site. If no mining is planned, the Division will close the file and release the surety for this project. At that time, the original reclamation contract will be returned to you for your disposal or records.

Please contact April Abate at 801-538-5214 or me at 801-538-5261 if you have any questions or concerns regarding this action.

Sincerely,

Paul B. Baker
Minerals Program Manager
